COLLEGIAN '76

**STRATFORD CENTRAL
SECONDARY SCHOOL
STRATFORD, ONTARIO**

SNEAK PREVIEW

EDITORIAL

As you flip through Collegian '76 for the first time, you will notice the unusual layout patterns and the larger candid pictures. This yearbook is quite different than those of previous years.

Symmetry is outdated in most cases but replaced by positive shaped pictures and blocks of copy that are fitted into each other in such a manner to keep all internal margins consistant. I do hope that this appeals to the students of Central; after all, these abstract layouts give a personal touch to an otherwise common, familiar yearbook.

On the following page, you will realize that the theme for Collegian '76 is individualism. Everyone in this school is a different person with different tastes, different hobbies and different strengths and weaknesses. The emphasis, this year, is placed upon the individual student rather than groups of people.

Although we all have separate identities, there is one very strong unifying element that binds each and every one of us together. . . . Central! We are all part of this one institution and just as the walls of the school bind us together, so does this bright red cover. It links us together but not to the extent as to seize out individual characters. It compliments and encourages our personalities to grow freely within us.

A yearbook is not a book to be fully appreciated now, but in the future years that lie ahead. You will receive its fullest impact when you pick it up twenty years from now. Collegian '76 is a souvenir of your youth, a time in life one must never forget. As we stride down the road of life, we find the longest avenue is the avenue of memory... so take this and cherish it for it is a reminder of the special days we all spent together.

PRINCIPAL'S MESSAGE

You young people now attending Stratford Central Secondary School are a part of a troubled world. Economic ups and downs affect the buying power of any family. Industrial unrest is marked by wide-spread unemployment. The rapidly increasing world population is straining food resources. There are the added irritations of traffic congestion, housing shortages, racial and religious dissension.

The greatest challenge for you young people is to adapt to changing conditions and to succeed by making use of them. Discontent isn't a bad thing if it is accompanied by a desire and will to change things for the better. You cannot do what you like with anything or any situation; you can do only what can be done with it. It is possible to shape the future to some extent, but not if you ignore its past. We must learn that there is still satisfaction and pleasure in using old things and thoughts wisely. We cannot avoid making the same mistakes as previous generations unless we learn what the mistakes were and how they came about.

What should your approach be to life under existing conditions? You are a member of the human race, and as such you must have manners and courtesy. These are needed in all ranks and activities of life. You must consider what is best, not what is always pleasurable. It is important for everyone, but particularly for young people, to select an appropriate path to follow. You will find life tiresome unless you determine what people expect you to do. School must provide you with the tools for improving life-education and skill in its application.

One sign that you are growing up, that you are no longer a child is that you do not look upon study or learning as work. Cultivate the love of mental adventure. When you gain new knowledge you will find it a source of lasting pleasure. Remember that experience that counts is not acquired quickly. Hundreds of hours of labour are needed to learn how to do a job successfully.

Central can, with your co-operation, give you a preparation for years to come. It is when you graduate that your exciting and challenging education will begin. I hope you will look upon life as an adventure and welcome challenge. There will be opportunities to serve others, and opportunities for personal success, if you have prepared yourself.

I wish to take this opportunity to express my appreciation to the students and staff members whose labours have produced this magazine. I am well aware from past experience, of the long hours of work involved, and frustrations that are bound to accompany such a venture. Rest assured that these labours have not been in vain, and that for many of us this book will be souvenir of happy and useful days spent at Central.

J.A. Hamilton

OUR NEW VP

From behind a desk like mine, you're an interesting school, Central.

Sometimes I see your students who find a bright, sunny afternoon more appealing than a period nine class or an evening's television movie more tempting than a homework assignment. When such lapses of memory occur, it's the Vice-Principal who's called upon to "encourage" your students to be more diligent with their responsibilities.

And I also see your students with ideas and energy working to create a yearbook, produce a play or mould a team spirit. When organizational tangles develop or the spirit begins to lag, again it's the Vice-Principal who's asked to help smooth out their problems.

But mostly I see you, Central, as good young people with courtesy, hard work, enthusiasm and a co-operative spirit.

Someone once said that the measure of a school is the lengthened shadow of its students.

So stand tall, Central!

... GRADS

GRADUATION 1975

Graduation, for some a time to look back and others a time to look ahead. But for all a time of celebration.

With the help of the Johnny Downs Orchestra, all enjoyed the "Festival of Lights" celebration at Central after commencement.

A sincere congratulations to all the graduates and best of luck in the future.

VALEDICTORY ADDRESS

There were times when life at Central was quite frustrating. Think of the classroom discussion which was interrupted by "Excuse me please, would Mr. Parsons please come to the office. Mr. Parsons, thank-you." There were also those times when we'd wait until the last minute to run to our lockers, only to discover that the lock was on backwards and our books stacked. Oh . . . and how we kicked ourselves for not doing our Math homework when we walked into Mr. Eveleigh's room and discovered that the screen was pulled down and the foolscap cupboard was open.

No one would deny that the system did have its flaws; however it gives us a responsibility -a responsibility to make it a little bit better. Our good teachers had no intention of teaching us to be docile so that we'd accept everything indiscriminately. Surely they hoped instead that we would learn to be thinking, active people, applying the knowledge we had gained.

Fortunately we found ways to overcome our frustration. Occasionally we'd eat, whistle and run in the hallways - just to show them who was boss; or in grade nine, when the tension seemed unbearable, we'd quickly run to the back of the room to sign out and purposely scribble down an obscene word. . . . we showed them. A few of us who had to go out to the portables on those cold wintery days would rebel and spend an extra ten minutes going to our lockers to get our coat and boots on and then waste another five watching others who hadn't taken the same initiative slip and slide down the hill by the side door.

Being human, we have the unfortunate tendency to rebel against the negative rather than reinforce the positive. There are many people who deserve some positive feedback. Tonight we have already rewarded several deserving students for their various outstanding achievements and rightly so. However, there are many students who worked very hard, making full use of their various talents who will not be rewarded tonight, but also deserve recognition. There are those of you who made other's days brighter by your acts of unselfishness. Some of you even sent around a petition for more toilet paper in the washrooms. The list is endless. . . and now so is the toilet paper.

And then there are our parents. It would be interesting to know how many of us used our parents as an outlet for our frustrations. For their loving concern and support, we are eternally grateful.

Similarly there are a number of teachers who deserve more positive feedback tonight then words could ever express. Each of us can think of certain teachers who have profoundly influenced our lives, who have shown us that idealism and reality are not necessarily antagonistic, who have made teaching a part of their lives rather than just a job in the classroom. There are days, I'm sure when they have been tired and discouraged, wondering whether it is all worth while. Believe us - it is!

Every one of us graduating tonight had our own personal feelings concerning Central. Among them are the memories of shared experiences, thrilling discoveries, and comforting friendships. Our experiences have become a part of us. We've gained, we've grown ————— and now we should GIVE!

SPORTS!

FOOTBALL

After a season of hard work and devotion Stratford Central's Junior Rams ended up with a not too impressive record of one win and five losses. Even though we lost most of our games and the all important "Red Feather" game, it didn't seem to change the fact that the players enjoyed playing football in the mud, rain, and sleet. The coaching staff, which consisted of Mr. Reid and Mr. Campbell, did the best they could with what they had to work with, so we (both the students and players) would like to thank them for their efforts.

The Senior Football team did not do as well as we expected, but the bright light of the season was beating Goderich for the first time in 12 years! We would like to thank Coach Hildenbrand and all the managers. Also, good luck to the team next season.

CROSS-COUNTRY

The Boys's Cross-Country teams had a strong, successful season this year. Outstanding performances by midget runner Brent Chadwick and senior Wayne Gould led both our midget and senior teams to first places in Huron-Perth competition. Our Juniors placed fifth at Huron-Perth. In W.O.S.S.A. action the midgets placed fourth and the seniors seventh. Thanks is extended to Mr. Garner for his fine coaching. A special thanks goes out to all our fine cross-country runners whose diligent training and hard work paid off at all the meets.

The girl's cross-country team had another great year taking the overall championships at every meet they ran in up until WOSSA. They started off the season on the right foot by winning the invitational meet held here last fall. Midgets and juniors placed first; seniors placed second.

All three teams advanced to WOSSA where the juniors placed first, midgets a close second and the seniors . . . We won't report how the seniors finished.

Again in 1975, thanks goes to Mrs. Bell for her fine coaching. Let's hope for as great a season next year!

BOYS' VOLLEYBALL

Unfortunately the Junior Boys' Volleyball Team was not very successful this season. Although all members of the team gave their best, they just could not manage to win enough matches against the other schools in Perth County. The team won only two. Mr. Hurley coached with determination and his coaching abilities were in no way reflected by the team's poor record.

GIRLS' BASKETBALL

The Senior's had an excellent season. They finished the season with seven wins and two losses. This year's team finished off in second place. They then advanced to the semi-finals where they played against Exeter. After defeating them they advanced to the Huron-Perth finals where they played our old rivals Northwestern. After a two game total point they unfortunately lost by four points. Since the team placed second in Huron-Perth they were eligible for WOSSA where they defeated in their first game by London South thus eliminating them from further playing. Better luck next year, Mrs. McFarlane and team.

This year's Junior Girls Basketball Team was coached by our own Mr. Faust. The team finished the season with a record of six wins and three losses. With this record the team ended up in a tie three ways for second place. The team then advanced to the Huron-Perth semifinal against Listowel. The girls lost a close hard fought battle by one point thus eliminating their chances for the Huron-Perth title. Better luck next year.

BOYS' BASKETBALL

The Sr. team had Rob Appel (*moonus supremus*), Andy Berg (*track star*), Phil Bryant, who gave rock concerts on the bus, Harold Grunenberg (*phartus-maximumus*), Steve Leeming who shot when he wasn't supposed to and John Tepker, the reverend's son, who gave us a sermon before each game. Returning from last year's team was Wayne Gould, who psyched everyone out with his head fakes. Also Dan Fischer who helped in scoring and got everyone 'up' for a game, Co-Captain Dan Huras was the main 'gunner' as well as being the chief beer taster. Terry McGovern was great on rebounding and was also the 'judge' for the Jr. initiations. The managers taped ankles, ate all the gum and broke hangers. Mr. Ian Garner was the patient coach of these sometimes raving lunatics.

The Junior Boys Basketball Team will need top efforts from all the players to earn a berth to WOSSA. The team is led by the all-American captain "Scrawny" Ron Hall, and the resident chicken-cooker Dirk Newberry. Also contributing their talents are "Timber" Tom Shurrie (the one with the flame-red hair), Ian "Duff" Bell, the piano-playing post man, and Rick Erb who will never make it into Mr. Neigh's 'good' book. Dave Fischer performs his many fakes despite a bad back and "Dirty" Harry Van Drunen makes many leaping stuffs. The other players also give their best for the team. Due to Mr. Neigh's excellent coaching ability (and his determination to make the team work), the Junior Basketball Team is one that Central can be proud of. And finally, the question everyone is asking: Will Dave Leeming ever learn to stand up?

MIDGET BOYS' BASKETBALL

Under the expert coaching of Mr. Mavor, the Midget Boy's Basketball team is looking forward to a very successful season. From the looks of it now, they seem to have excellent chances of securing the championship and we wish them the best of luck.

With the help of coach Mr. Robins, the boy's gymnastics team is off to a great start. Although the team is not very large, both junior and senior have some promising members for the Huron-Perth competition which will be held in the spring. They have been working hard since September, and their work will hopefully be rewarded as it was last year. Good Luck guys!

CURLING CLUB

Every Tuesday, Central's enthusiastic curlers, under the direction of Mr. Smith, took over the Stratford Country Club's four sheets of ice. A regular curling schedule, now complete, is being followed by playoff games to decide this year's winning rink. Two selected rinks will represent us at the Huron-Perth competition. It has been a good year for curlers!

The noteworthy arch enemies of the football teams hit the fields again this fall in top form (? ! !) Central's field hockey team whizzed through an exciting season collecting wins; ties and only one loss! In sleet, snow, wind and hail the girls worked through their 7:30 hr. long practices. But the team isn't all that hard. They let the football teams slip by them in a game described by one player as "a real experience!" That's what Central field hockey is all about and a lot more besides. Many thanks to N. Hill and all those who helped us through a fanatic season.

WRESTLING

This year the wrestling team's headlocks were really holding those other teams down. Another successful season with the help of Mr. Hagedorn and all the boys. We hope to continue this style in the future! Break a leg!

There are many new members in the girls gymnastics team this year and all are working hard and looking good - with the help of coach Miss Hill. Although they didn't start quite as early as the boys, the coming competition looks optimistic. There aren't many members in the Intermediate, Advanced or Elite sections, but there are plenty of beginners in Novice. To all competitors let's wish a good luck.

TENNIS TEAM

Well, it has been another smashing season for the Stratford Central Tennis players. As always, our dynamic team swept the circuit clean with three first place winnings out of four and four second place standings. The first and second place winners were eligible to compete in WOSSA which was held in Tillsonburg this year. Although Central only won one first place (Eric Majer and Frank Bachmund) standing out of four. The rest of the team gave their best. We must not forget to thank Yrjo (our Rotary Exchange student) for helping us make our tennis team complete.

A MESSAGE FROM YRJÖ LESKINEN

On August twenty-second in the year 1975, Yrjo Leskinen left his family, friends and country and came to Canada as an exchange student. He is from Tampere, Finland and he will be in Stratford until the middle of August, 1976.

The students of Central responded very positively towards Yrjo. His nickname is Yki ("pronounced here in many peculiar ways", he exclaims). Yki is studying year five subjects and he seems to be managing very well. The language barrier is easily overcome due to the desire, on Yki's part, to perfect his English.

One might think that an exchange student loses out because the subjects he/she takes in the other country do not count towards their diploma in their home country. This is the case with Yki. The subjects he is taking in Canada do not count for him in Finland but he does not appear to be worried about this. Rather, he wants to experience new things, learn to become independent and lastly, perfect his English.

Yki is a very sportsminded young man. He specializes in tennis but he also participates in other sports such as volleyball and badminton. One day while playing volleyball, he realized that volleyball was much too dangerous for him (badly sprained ankle).

Being able to choose your subjects and the abundance of extracurricular activities within the school appeal to Yki. His school in Finland has many compulsory subjects and fewer extracurricular activities within the school's limit. He feels that qualities such as these make school harder in Finland.

Other than being an avid member of Central's tennis team, Yki is also interested in photography. He has taken pictures, developed negatives and developed prints. His mind yearns for knowledge and experience that will aid him in the future years of his life. During our interview with him, he said a very wonderful thing.....

"When making acquaintances, you can only win and never lose! "

Silva Salvia spent 1975-76
in Stratford.

Shelly MacDermid is
spending 1975-76 in
New Zealand.

Barb Wolfe and Anne
Bell will be spending
the next school year in
another country.

DEDICATION TO MR. HAMILTON

Mr. Hamilton is retiring? After fourteen dedicated years, Mr. Hamilton is leaving Central. He is retiring as principal from this school but is looking toward new horizons and plans to work for a few years yet. After all, it's hard to stop a man who has been as active as Mr. Hamilton.

After attending public school in Milverton and graduating from Listowel District High School, Mr. Hamilton attended the University of Toronto, where he received his B.A. in business. Instead of going into Business as he had planned, he chose to be a teacher and took his first teaching position at Orangeville High School where he became vice-principal. Later, he was the commercial director of the Brantford Collegiate Institute and Vocational School, and then he was principal of Barrie District North Collegiate for five years before coming to Central in 1962.

Among his many accomplishments, Mr. Hamilton is a past-president of the Rotary Club of Stratford, the Chamber of Commerce and Stratford Country Club. He was on the Senate of Wilfrid Laurier University for seven years and was on the Board of Principals' Association.

Mr. Hamilton has helped Central through fourteen years during which time much change has taken place. There has been the change from a Local to a Regional Board of Education and a change in atmosphere with the rebuilt school.

Mr. Hamilton feels that his biggest accomplishment as principal at Central is noncomputerized individual time tabling. He feels that by making up a student's time table himself, it becomes more personalized and gives the students a chance to meet more people.

As a final word to the Students at Central, Mr. Hamilton believes that to be a good listener is the key to getting along with others and that "success depends on the way you learn to solve situations." Therefore, those of us who are struggling along with Math or some other subject, are indirectly conditioning ourselves to be able to cope with difficult problems later in life.

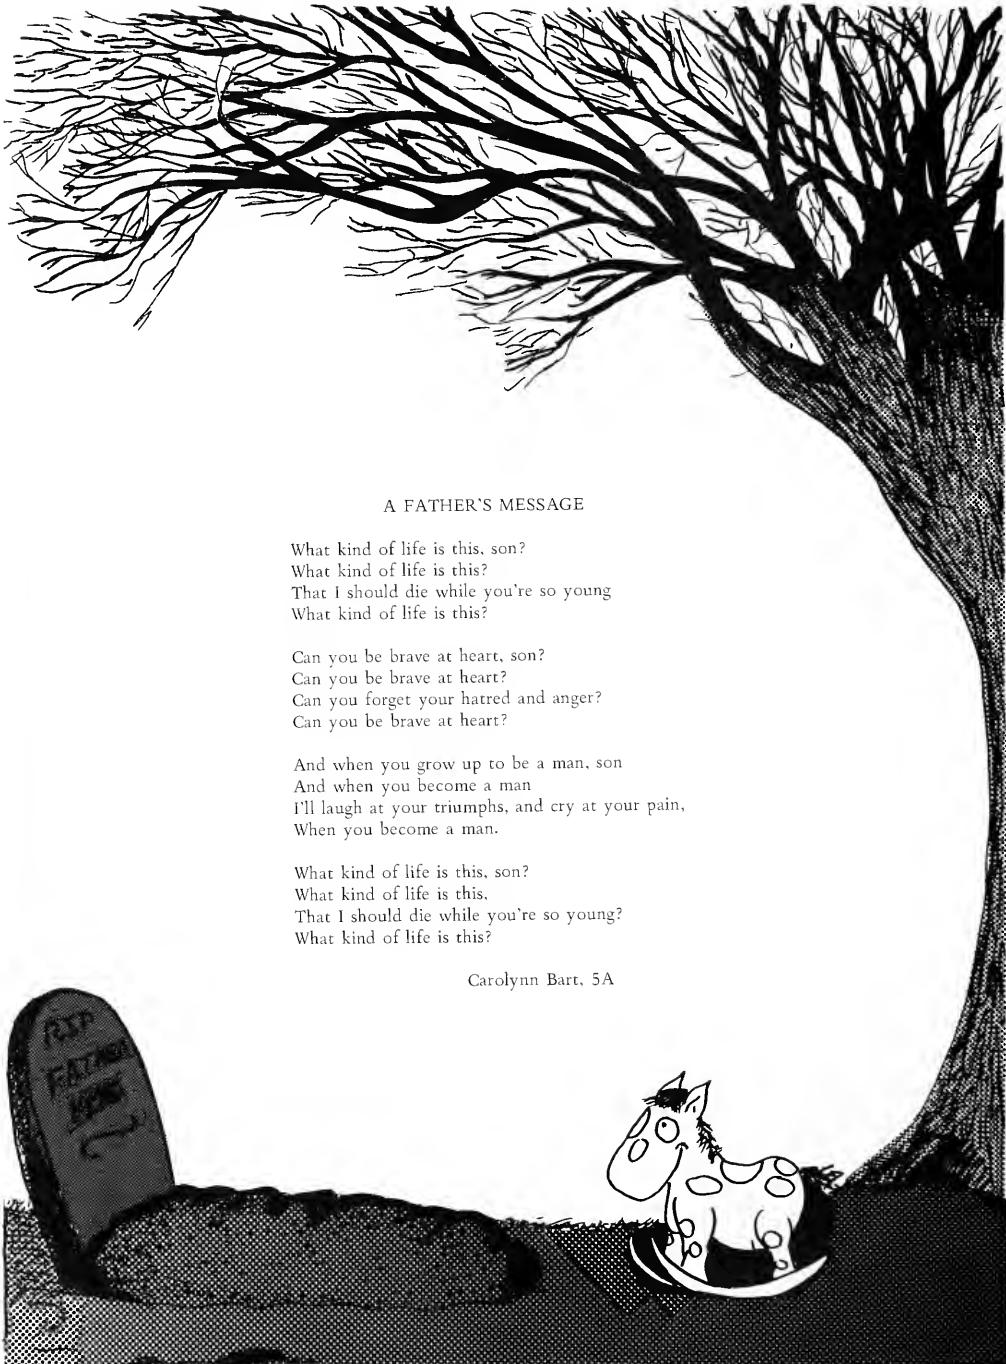

Mr. Hamilton has "loved it here" at Central. He has enjoyed his acquaintances here and is proud of his students and staff.

On behalf of everyone at Central, we wish Mr. Hamilton "all the best" in his plans for the future.

LITERATURA

A FATHER'S MESSAGE

What kind of life is this, son?
What kind of life is this?
That I should die while you're so young
What kind of life is this?

Can you be brave at heart, son?
Can you be brave at heart?
Can you forget your hatred and anger?
Can you be brave at heart?

And when you grow up to be a man, son
And when you become a man
I'll laugh at your triumphs, and cry at your pain,
When you become a man.

What kind of life is this, son?
What kind of life is this,
That I should die while you're so young?
What kind of life is this?

THE FLIGHT

Soaring high above the clouds,
The view . . .
Specks of buildings
Spots of cars
Little moving dots
And lights that sparkled like stars.

The fog was rolling in,
The sunlight fading fast
A wind caught my wingtips
And carried me to the past . . .
Carefree times,
No obligations.
I wanted to laugh
Till I saw the situation
That led to my future,
A cause of deep concern;
I pressed to change my course
But it was too late to turn.
The weather was getting rough,
Misty and confused
I saw it again
Yet, the path wasn't mine to choose.

And now the clouds are clearing
The future is in sight
My destiny is unknown;
It's all part of the flight.
What perils were in store
I could have made a change;
I'd be safe, grounded on shore.

Exhaustion will soon overcome me
I'm thankful I've lasted this long,
And maybe this will be a lesson
To those who think they're so strong.
To fight the gale, outlast the storm
And struggle to reach the end,
Believing they've led a prosperous life
When really, they're quite out of form.

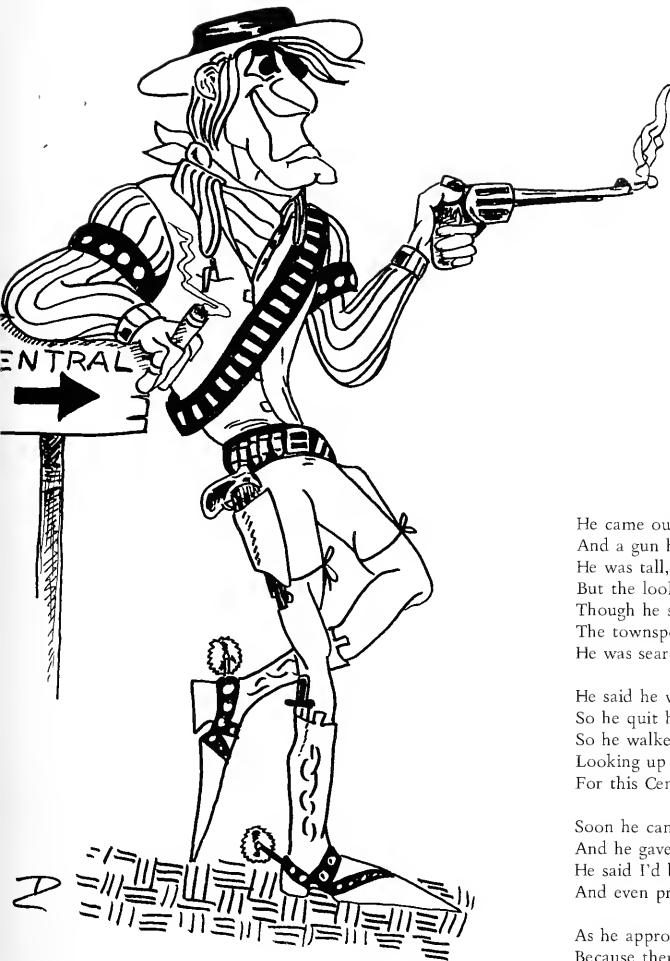

The flight of life is full of faults
And sudden changes that mark your course.
But just remember not to look back;
You may someday suffer its force.

Annie Marshall, 5E

WHY

Why do we hurt each other
Without ever knowing why?
Why do we say things we never mean?
We only hurt each other when we do.
Why do we act badly just to keep the one we love?
We just hurt ourselves in the end.
And some people just can't cope with the guilt.
Why do we do such things when we are in love--
Answer me that.

THE DEVOTION TO A SCHOOL

He came out of the west with a patch on his eye
And a gun holstered at his thigh.
He was tall, dark, and mysterious,
But the look in his eye showed him serious.
Though he spoke not a word,
The townspeople learned,
He was searching the world for Central School.

He said he wanted a decent education,
So he quit his job of robbing railroad stations,
So he walked through the town,
Looking up and down,
For this Central Secondary School.

Soon he came upon a boy reading a book,
And he gave the stranger an intelligent look.
He said I'd be proud to show you around,
And even prouder to take you to Central School.

As he approached the school, he felt like a fool,
Because there were kids even younger than him,
Who were carrying educational books loaded to their chin.
He turned to the boy, looking annoyed,
But the boy just smiled and walked onward
For who wouldn't be proud to attend this school
And leave with a graduation award.

DEDICATION TO MR. WILKER

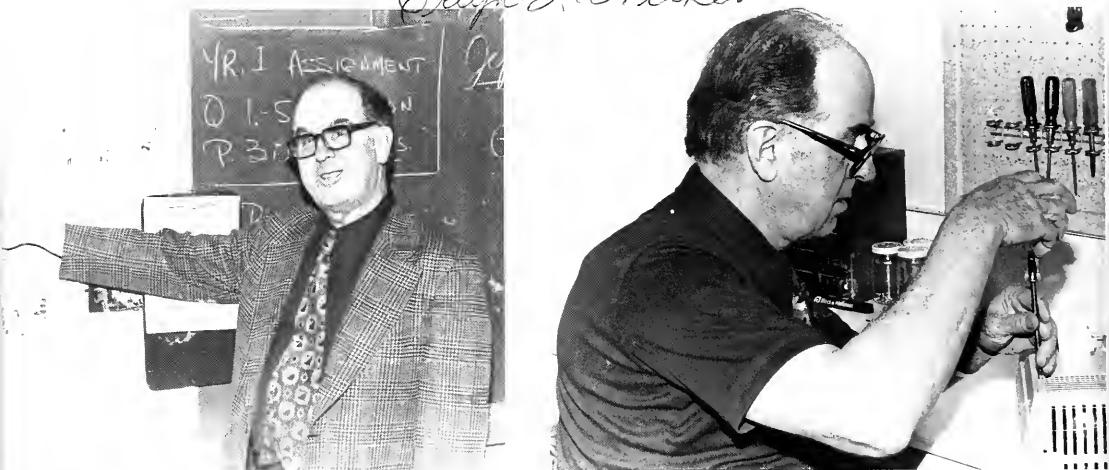

Ten years ago, Central welcomed a newcomer to the teaching staff. He came to teach wood and metal shop. A few years later, Mr. Wilker began teaching metal shop full time.

As you know, Mr. Wilker is the man responsible for the excellent facilities in the Audio-Visual room. On his arrival, the school possessed exactly two overheads and two movie projectors. Video taping equipment was purchased two years later but there were no extra rooms in which to use the equipment, only a small closet. In this small closet, Mr. Wilker video-taped many programs that could be used by teachers.

Little by little, equipment was purchased and students were taught how to operate it. Finally, all the equipment was too much for the old closet, so this necessitated a move into a larger room. Today, this room consists of one darkroom and two others.

Mr. Wilker put much of himself into Central. He has developed the Audio-Visual centre to a great extent and he is always willing to help teachers and students when they are in need of help. He gave without expecting anything in return. We only hope that this small gesture of appreciation will help express our gratitude. Mr. Wilker! ! ! We wish you all the good things in life in regards to your future.

STUDENTS' COUNCIL

This year, Students' Council is comprised of President Rosemary Regan, Vice-President Ed Doadt, Treasurer Janet Bannon, Secretary Ann Marie O'Donovan and Junior Representative Lynn Miller. These five form the nucleus or elected members of the council. The four other members are Deb Huffman, G.A.A. rep.; Wayne Brightwell, B.A.A. rep.; Sandra Peart, Newspaper rep.; and Lucy Polsoni, Collegian representative.

Well, as I sit here and look back upon my five years at Central, what can I say? They were memorable years, if nothing else. High school is something that most of us will treasure for the rest of our lives. It has been a time of growing up, learning and most of all, living! As president, this year has been something else! It was truly an experience; a learning experience and one that I'll never forget. I learned more this year than I will in the rest of my life. The one thing that stands out is that which I learned about people. I had to work with the most aggravating, irritating and frustrating people. But on the other hand, I was able to work with the most considerate and helpful people, the greatest people around. I've had good times and bad times, but it's been "real". Right now, I would like to take the time to thank everyone; my council, the teachers, the staff, and most of all, my friends. For they were the people who kept me going, kept my spirits high and gave me the inspiration and determination to keep going when the going got rough (and boy----was it rough!!). So, as I bring this to a close, I want to give a final thank-you to everyone who gave me the opportunity to live and learn, during the greatest years of my life and especially this past year. Thanks and good luck to all!!!

MODEL PARLIAMENT

In this years Model Parliament Sandra Peart acted as Prime Minister with Edmund Thomas as Leader of the Opposition. Anne Bell was elected Speaker of the House. In the fall session bills on wage and price control, off-shore fishing rights and gun control were discussed. It proved to be interesting for all who participated. Thanks to Mr. Adams for his assistance.

NEWSPAPER STAFF

This year Central's newspaper staff has published several successful editions of "Shredded Wit". With a nucleus of editors and a rotating staff of writers and artists, we have managed to add new content of interest, (we hope) to the students. This content included book and record reviews, council reports, letters to our famous Aunt Fanny and new features. Many thanks to Mr. Devlin, our staff advisor.

CHEERLEADERS

"All right let's get going. Line up . . . a STRAIGHT line. Valerie, wipe that grin off your face. Okay, 1, 2, 3. No, No. Stop! You're not together. Okay, once more, and remember to smile . . . I said smile; don't look like you're in pain." Sound familiar? If you've been through the bottom halls at all after 3:00 you may have heard something like it. I must admit we were pretty hopeless at the beginning of the year. With 11 girls who were completely new to the squad, Lee had some job. But thanks to her determination we made it. We still may not be the suavest squad around but boy are we enthusiastic!

MATH CLUB

Believe it or not, there is a mathematics club at Central but it is hiding behind the name of "The Mathematics Contest". This contest is open to students from years one to three. It is an annual event. Its aim is to stimulate students interested in math to provide opportunity for students to test their mathematical abilities against other students in other provinces in Canada. Special lessons were conducted after school by Mr. Eveleigh and Mr. Weir. There are many students in this school with mathematical abilities and if you are one of them, why not give yourself a challenge? You have absolutely nothing to lose and everything to gain.

DRIVER EDUCATION AND TRAINING

Totally inexperienced students graduate from this course and become full fledged drivers, thanks to the teachers and trainers that spend so much of their time helping students develop the "right" attitude in driving. For a small fee, one gets twenty-five hours class time with a teacher and eight hours driving with a properly trained instructor. The teachers involved with the education aspect of this course are Mr. Pratley, Mr. Jorna and Mr. Neely. The in-car training is done by Joe Mergl, Snoopy Bedford and Louise Deworiz. If you are contemplating getting your licence, try taking this valuable course. It may save your life!

MAKE-UP CLUB

The make-up club is comprised of people who want to learn how to apply theatre make-up for school plays and just for their own interest. The kind of characters that they make up range from clowns, villains to boys! Executives of this club are Debbie Derworiz and Marlene Bell.

REACH FOR THE TOP

This year's "Reach for the Top" team did not play its first game until February. The team, comprised of Colleen Moorehead, Maureen Houston, Paul Nemeth, Trevor Heney and spare Chris Collings, practised very hard under the direction of Mr. Schlotzhauer in anticipation of their first match.

David Allman : I am planning to finish thirteen and move on to my last alternative in life - to be a policeman.

Deb Anderson : The countdown is over and 'snackie' has finally graduated. She will take her astounding abilities to Western. (maybe) Don't forget your proof babe!

Ron Ashbourne : 'The Newfe' has spent an eventful five years and plans to move on and pursue a math course at the U. of A.A.

Frank Backmund : Excelling in tennis and soccer, Fab plans to either enter the field of physio-nuclearbiochemistry or work at Fram or something.

Bruce Bailey : Having found that there is a difference between being learned nad being trained, Bruce will avoid university next year.

Patricia Bald : After coming to Central for five years from the thriving metropolis of Seebach's Hill, Pat has decided to take her talents to further her education at Wilfrid Laurier.

Cindy Ballantyne : 'Sid' plans to pioneer further afield. Perhaps play polo for the U. of S.B. Well Cheerio and happy hunting.

John Bannister : 'Cecil' alias Eddy Luther is looking forward to going to U. of S.B. next year or driving his bus from school to the Factory.

Bob Bart : Little Bobby Bart knows how to Shop-Rite! Between work and the hotels Bob found time for school. Some how he made it! Good Luck!

Carolyn Bart : Carolyn will no longer be seen in the narrow halls of Central. She plans to take a radiology course at Fanshawe to "see-through" people. Best of Luck!

Don Bell : Well Don your time has come to be uncaged. Next year, good ol' tiger will be waring ahead to more education.

Jacqueline Bell : Jacque plans to work for a year and then enter Fanshawe College in Radiological Technology.

Mike Bergsma : Mike's future lies at Guelph University where he will "better his living through organic chem."

Joe Bernier : Joe has spent five long years at Central. However, he is now planning to settle down and hopes to study electricity.

Paul Billo : Captain Crunch's knowledge of geography has increased and because of his adventures in Waterloo, he may pursue a career in lunch crunching.

Debbie Blowers : Deb has decided to get out of Stratford while she still can! She intends to journey west to become a nurse. Best of Luck in the future; watch them 'quarter pounders'.

Janey Bonsteel : If school is as bad next year as this, you'll see Janey drowning in the Trent Canal.

Shawn Brenan : If he can stay awake long enough, Shawn plans to study biology at the U. of G.

Wayne Brightwell : Over these five long years, Wayne has done many things. His favorite pastime was sleeping on the wrestling mats. He hopes university offers the same options.

Connie Brown : Connie has been an active Culliton Brothers fan this past winter and plans to achieve her 'goal' with the (little) fellows at Fanshawe.

Mary Jane Brown : All Brownie can recall about school was the weekends. Remember the empties on the back roads? Good Luck at College.

Steve Bryant : After his five year vacation at Central, Dyke has decided to start pulling teeth at Western. Keep Smilin' Steve!

Fred Buck : Fred the Fearless Fullback always has something to say. He is the knee smasher of the day. His future looks promising.

Susan Bull : Susan enjoyed her five years at Central very much and hopes to further her education at university. Good Luck Sue!

Ann Burford : Ann has enjoyed Central but will take a break from school next year. Her plans for the future are undecided.

Shawn Burns : Baseball Burnsby became the soccer goalie of Central. His poetic talent will perhaps carry him into a career.

Cathy Butson : Catrinks has turned down Robert Frost's offer to become a poetess. Her only other way of putting people in stitches is by pursuing a sewing career.

Tim Campbell : Well the time has come Cams, for your lunch hour to end. With football in hand Tim is off to tackle Waterloo.

Doug Capling : Doug has spent five years quietly doodling at Central. Next year he plans to become a potato chip.

Jim Catania : Catone's loves in life are the three "B's". Baseball and two others we can't mention. Next year Jim plans to study business at Western or W.L.U.

Lynne Clarke : Clarkie's hearty laugh which has carried her through cheerleading and five years at Central will be helpful in a forestry course. Good Luck Lynne!

Nancy Comley : Finally the halls of Central will be quiet! Nance and Company will be heading out for Fanshawe. Hang in there Kid!

Jackie Cook : After her amorous adventures in Hawaii, Jackie has decided to go back for a second try. Knowing 'Cookie' - she will!

Marion Cook : 'Cookie' had a tremendous time at Central for the past five years. It was a hard struggle for her but with a little help from friends and that innocent smile, she made it!

Miriam Craft : Miriam is thankful this is her last year, after spending six years here. Next year we'll find her in nursing!

Bruce Davidson : Bruce enjoyed an active five years here when he has made it. Being late, accumulating detentions, touring with the boys and making the office his home. In the future he plans to live in London.

Bruce Davies : Bruce has been active in Central's five year plan of 'cruisin' the halls and apprenticing as the factory's bouncer.

Gwen Dawson : Known to most people as 'the quiet person', but in reality. Anyhow, Good luck in the future.

Frances Devlin : To the girl that made a dull day bright! Best of Luck in your nursing career.

Janet Diegel : Dieg's has spent five long years at Central and is very glad it's over. Her future as a domestic engineer looks bright, thanks to Santa! She wishes her friends the best of luck!

Ed Doadt : After five years at Central, Ed has finally achieved "cool" (he thinks). Next year, Waterloo. "That's why it's still a mystery to me. . ." (AIA)

Mike Doherty : Mike had a good time at Central. He plans to take a break from school next year.

Maxine Donaldson : After five years of total indecision Max knows what she wants in life - and she knows she gonna get it!

Debbie Douglas : Debbie plans to go on to a community college after she is finished at Central.

Tim Douglas : Sam hopes he is finished at Central for a while. We wish him luck but wherever her goes his Molsen muscle will follow. He's more than just pants! !

Dave Doyle : When ever Dave ends up to start his painting career, let's hope the brushes are smaller than Dave.

Lynn Dunbar : Since all good things must come to an end, Lynn will leave Central for university next year.

Anita Ellis : Naters is planning to go into medical technology where whe will doodle/bluff her way along.

Lois Emery : 'But sir, I don't understand!' Lois is going to take this all too familiar wail to the music department of U. of T.

Jurgen Endres : Jurgen has many talents - maybe one day we'll uncover them! ! ! His vibrant personality will come in handy next year in engineering.

Sheila Ferguson : Sheila M's ever present smile and lively spirit as one of Central's great cheerleaders will be missed by all. Best o'luck to our future anthropologist. Keep smilin' Fergie! !

Jane Finch : Finchy has struggled through five years at Central, perking up whenever the subject was baseball. Destination? Possibly London, Toronto, or even the pitcher's mound.

Norma Fleishauer : Normie has wheeled her way through Central in a tornado of paint brushes and curling brooms. With piano in pocket, Norma is off to Western. Good Luck!

Pam Ford : Pam can be seen at a certain drycleaning establishment, but when she has fulfilled her aim of being Canada's first Woman Prime Minister, she will quit her present job. Too bad Uncle Bill!

Christie Free : Christie now walks through Central's halls with little dollar signs flashing in her eyes, as the prospect of a Waterloo University degree comes within her grasp. Good Luck Christie!

Elizabeth Gaffney : I have learned and experienced much at Central, but the future is so bright that I'm looking forward to it anxiously.

Deb Garratt : Deb enjoyed her classes at Central whenever she had the chance to attend them. She plans on going to university next year for a science course.

Manfred Gartner : After four hopeless years of trying to be cool, Fred finally came over to Central. His shocking experiences convinced him to pursue an electrical engineering career.

Kathy Gastmeier : "Kath" fluted and fiddled her way through five years at Central. Next year she plans to study French at Wilfrid Laurier.

Sue Gearing : Sue is well known for her poetic ways and attributes to the school newspaper and collegian. Her journalistic attitude will help her go far at Western.

Dave Gibb : Now that "Gibby's" five years of raising — and causing disturbances are over, he's off to some higher institution of learning. (Perhaps a professional farmer.)

Dale Gigun : "Toodles" has finished five stress-filled years and will now attempt to psycho-analyse herself at Western. So toodles to "Toodles" and best of luck!

Marie Goodale : Marie plans to enter Fanshawe College to study for a career in Medical Laboratory Technology.

Bayla Greenberg : Fashion plate of Stratford Central has decided that she must widen her horizon. Psychology seems to appeal to her interests and McMaster is the place.

Harold Grunenberg : Harry plans to further his Educational Endeavors at Waterloo. He plans to join the Fraternity of Higher Standings. (six feet and over)

John Haldane : John has had a successful five years at Central. He used his charm (?), wit (?), and intelligence (?), to get him through. Best of luck next year at university.

Jayne Kompf : "Stella" has constantly amused her friends (?) by her acting abilities! Now instead of going to Hollywood, she plans on entertaining patients by juggling bedpans!

Edward Lam : "Since realizing that the pursuit of knowledge ends only in infinity, leaving Central can only signify a whole new beginning towards a more meaningful horizon."

Mike Harmer : Mike's future is still undefined. However, he is considering a course in studio recording and music at Humber.

Debbie Harris : Deb's accomplishments these past five years include. . . um, er, ah, well y'know. Good Luck Deb!

Brenda Hasson : Between drinking and driving "Beanie Hass" managed to scrape together a bit of school work.

Carolyn Heath : Carolyn's involvement in musical activities and cross-country ensure that Central will never be the same hereafter.

Brenda Herman : After "Gerbs" five successful (?) years here at Central she's off to the big times--pig farming. And if that doesn't work out she might take up nursing. Good Luck!

Nancy Holmes : After five years at Central, Homer has decided to continue her education, after spending a year in France. Bonne Chance!

Deb Huffman : Deb has been active in. . . um. . . Let's just say that her crazy antics have kept her teachers and friends highly amused. Next year she will take her bubbling personality onto nursing.

Dan Huras : "Gunner" has combined his so called basketball and football skills for Central in the past years. Next year Dan plans to further his career in math.

Nancy Huras : By this time next year, Flame will be trying to fight off the convicts in Kingston. She'll love it!

Pete Huras : Pete is "receiving" his pass to enter University of Waterloo leaving behind his football, road hockey, and bartending skills to study Kinesiology.

Paul Hurley : "Birds" vast talents and exploits have included lending a hand in the Science, Art, and Geography clubs, Model Parliament, Prefecting, and all.

Diane Hyde : "Hypo" has learned enough about geography, especially in the vicinity of Tavistock. She hopes to extend this area to Fanshawe in the fall.

Rob Innes : During his five years at Central Rob has participated in cross-country and track. Next he'll be at McMaster to further his education.

Heather Irvine : Some people ask if Heather is ALL for real? Obviously so! Her great personality and many talents (?) are sure to help her in her career--Français.

Bonnie Isacovics : Bonnie has decided to take her talents to university to study science. Good luck Bonnie. The lunch gang will miss you!

Gladys Jackson : Despite distractions from various extracurricular activities, Gladys has managed her way through five years at Central. Now with her imagination stuffed in her pocket she will flee to Fanshawe to study art.

Rick Jarvis : Between football and "Hotel" management Jary has managed to complete his course at SCSS. Now he plans to load his duffle bags with "cases." and go to Carleton University.

John Kastner : "Cinci" achieved the fan of the year award for his Reds. Next year he will take journalism at Wilfrid Laurier University so he can write about his heroes.

Kim Keast : "Kimbo's" body was often seen flaked out on the track or curling rink. When not exercising or dieting, her bouncing personality was helping others. Keep truckin'!

Pat Kelly : Pat plans on attending Wilfrid Laurier to study business administration next year.

Ann Knowles : "Cookie" plans to wear white (after becoming a nurse or a reasonable facsimile.) Watch out for those chocolate chips!

Tim Kropf : Tim has enjoyed his past five years at Central. His plans for the future are undecided.

Lea Lamb : If a "snort" is heard around Central it's Lea. Cheerleading, cross-country, volleyball and other "activities" have occupied Lea's time at Central. Good Luck in geography at Waterloo.

Jane Larkworthy : After surviving various 'stress spasms' Jane feels she can handle (? !) a FEW more! (Such 'spasm filled' establishments as Waterloo, McMaster, Queen's,...) Good Luck Jane!

Yrjo Leskiner : Our Finnish exchange student has, (with the help of his many friends) experienced many aspects of good wholesome Canadian fun.(! ?) Good Luck!

Rob Lightfoot : After years of losing friends by beating them on exams, Rob intends to continue this practice at Wilfrid Laurier next year.

Sandra Lindner : Between cramming five years into four, Sandy still had time to enjoy herself at Central. Good luck next year at Waterloo.

Rosemary Lyon : After making a mad dash into the men's washroom at the A.H. Rosie has decided to reform her ways and become a nun. Best of Luck!

Mary-Anne MacAlpine : 'Mac' plans to reach Ryerson next year after a short summer course in life at the U. of S.B. Best of Luck!

Debbie MacLeod : After five great years at Central, Debbie hopes to get her BSc in nursing at McMaster University.

Ron MacPherson : Our no. 1 Bus Driver! Today-Stratford, tomorrow-Greyhound. Other plans are an Electronics Technologists course and crusin' to California U.S.A. Keep on Busin'!

Tim McDuffe : Tim enjoyed his five year visit at Central, participating in football and birthdays. He intends to further his education in some University.

Jim McGorman : Jim's adventures at Central have varied from gambling in the portables to playing badminton and tennis for the school! Good luck in your medical career "Foxy!"

Terry McGovern : Our illustrious basketball and football star has finally decided to put aside his athletic talents (it's about time) to follow in the footsteps of great men such as Kooy, Vredeveld and Schlotzhauer. Good luck in geography at Wilfrid Laurier!

Jim McInnis : After five struggling years, Jim has come out of Central with little more than a slightly used melon. Tootles to tootles.

Mary Ann McIntyre : After five years at Central Mary Ann discovered a great love for math and plans to attend Western. Best of Luck!

Mary-Beth McKeough : 'Lush' would like to say her future is undecided. We know she will be a snack wherever she roams! Good Luck Bando!

Paul David McKone : Paul plans to attend Carleton next year to study engineering or maybe travel for a year, or work, or . . .

Jack McMaster : Buttons will be taking his gambling, chess, tennis, badminton and drinking talents as well as his name and his nose to McMaster next year.

Colleen McMillan : A math scholar, Colleen will no doubt stress her professors as she picks her way through the field of Geography.

Peter MacNamara : Mobil, the chess champion of Stratford Central will be taking his talent for playing 'games' to Guelph next year for agriculture.

Lynda McTavish : The mad scientist McT intends to pursue her career at McMaster. Best of luck to you in your studies.

Nancy Messerschmidt : Nancy has had five, full, exciting and learned years at Central. Does she regret it? We'll never find out!

Janet Metz : Janet can be seen jogging across Canada after a certain man. Her cheery smile and wittiness will help her through a Phys. Ed. course.

Rainer Mikler : 'Slim' is taking his Big Mac and fond memories of Myrna Drip to a higher learning institute in Toronto. Good luck Rainer!

Barb Morris : Boomer's packin' up her grass skirt and headin' out to Guelph. Remember Hawaii '75' Boom -Boom? Who could forget! Keep Smiling.

Greg Morris : After 6 yrs at Central Greg remembers many things: The teachers, the girls, the 13 parties, the girls, the homework, but mostly the girls! !

Al Moore : Al has been a special breed to us at Central, with his uncanny humour and sutdyng habits. Al is planning to take these skills to Waterloo next year.

Kevin Morris : 'Moe' says his major concern right now is waiting for the summer holidays. Until then he hopes to become rich.

Keith Musselman : 'Muzz' the merciless football and killer, plans on furthering his education in the navy, or by becoming a florist.

Pam Ney : Pam was an avid Warrior fan and is a flashing streak at Wade's. Her plans for the future are not definite but would like to move to California and marry a tall blond life guard.

Margaret Niblock : After hating five years of exams, essays, tests, homework, etc., etc., I have come to the conclusion that the thing I hate most is saying good-bye to all the real people I've met here.

Nancy Nichol : Good 'ol Snic has finally made it through! Between surviving Hawaii and locker raids. Be Careful, Fanshawe! Things will never be the same.

Joan Nicholson : After surviving five years at Central, extra activities and all, Nick will carry on at the wild world of Western. Good Luck!

Linda Packham : Next year, Linder will be doing more than operating on animals. . . in the back, in the corner, in the dark!

Brenda Petrie : After bruising many an arm around Central, 'Pete' has decided to join a boxing team at a certain university.

Rob Pollock : Rob plans on becoming a bum. He'll probably achieve his dreams. He's got the qualifications anyway.

Jean Purton : Jean spends most of her time shadowing in Luckys. She will utilize her 'shy, quiet' personality in chasing patients up and down the hall in Stratford General. Best of luck!

Rosemary Regan : 'Ralphie' our illustrious president feels it's time to pack it all in. He accomplishments have taken her many places Spain, Ottawa and of course Arua. Next year she's off to Western, so watch out London.

Steve Reichenfeld : Came to us from London this year and found Central. . . well, different. He has visions of furthering his education by sailing down to the Gulf of Mexico to enjoy the sights.

Bill Rhoads : Bill's sincerity, good looks and intelligence have not spoiled him through the years, but rather, they make him a very nice person to be with. His determination and involvement in school activities have earned him a future to look forward to. Best of luck Charlie ! !

George Ridley : Unless something different interests George before he finally finishes school he will probably go back to where he came from - the country.

Marianne Riehl : The curly locks of Marnic Tot will reign at Waterloo next year as she liberates herself in the chemical engineering course.

Bev Ritchie : Next year, Bev will bounce off to Guelph in her Tonka jeep to study some items besides water.

Robert Ritz : Robert is bussing his appetite for math and Big Mac'l to U. of Waterloo where he will study architecture of urban planning.

David Robbins : I am pondering a real estate career and/or urban and regional planning. With maybe a bit of trucking in between.

Gary Robinson : -better known as 'Rib' of the 'Culliton' used his ice speed this year for girl chasing as a main subject in the halls.

Paul Ross : Kind, friendly, goodlooking, intelligent, liked by all. I could go on forever but who is going to believe me. Roscoe expects to be at U. of Waterloo next year.

Cheryl Rousseau : 'Rousse' has had an enjoyable 5 yrs at Central. Her activities ranged from deep sea fishing to chasing the bait. Best of Luck at University, Jacques.

June Sangster : In relation to 'Big Mouth' June will no longer whistle or run through the cafeteria in spares. Her cackling laugh will take her to a better place of ill-repute, Good Luck June!

Doris Schaefer : Dircy Doris will continue in her riotous ways, laughing hysterically and cheering people up in a nearby hospital.

Tim Schumacher : Next year Tim will be going to Waterloo University for a course in Urban and Regional Planning.

Dale Smythe : A true farmer at heart. Dale plans to spend his future days producing and reproducing on the family farm.

Joan Smythe : Between cheerleading, band, track and of course studying Joan found time to have a rest while at Central. Next year Joan and her flute will be off to U. of T. or Gracelyn in Music.

Sheila Solomon : Sheila has decided to try her hand at bedpans and thermometers. Whether it be at McMaster, Toronto or Western is still unknown.

Paul Spackman : With dollar signs and cars confusing his confused mind, his future is questionable.

Barry Spears : What can you say about Barry Spears that his initials don't say better?

Brent Stief : Brent just came to us from the growing metropolis of Listowel. Now he's off again to Waterloo with his skis and math books to enroll in business, Good Luck!

Chris Stone : Chris alias "Rocky" has a big mouth which will no longer be heard in the hallowed halls of Central High. Instead she will take her bull roar to higher educational levels. Best of luck!

Kathy Stueck : alias 'Stick' has made it through 5 years of Central. So far there have been no side effects and Kathy hopes to go into Nursing next year. Best of luck to you Kathy.

Marg Temme : During her 5 years at Central Marg participated in cheerleading. Plans for next year include university as well as putting her unlimited talents to good use.

Joe Tuer : Jo Jo Gunn's cool personality and little blue V.W. has steered Joe will on his way up Hwy. 7 to Western. May your gas be cheap.

Barb Tigan : An Italian at heart, has all the love she needs for some poor soul. She may work her way around it. Whatever, good luck Barb!

Bruce Walkom : After managing to get through five years at Central, Bruce plans to be an electrician.

Helen Walsh : Thoughts of rainy-day friends past and present can never be forgotten.

Deb Wheatley : Now that her years of endeavours at Central are over, 'Wheats' hopes to make her astounding contributions to humanity through a nursing career.

Bill White : Bill's plans for next year include not studying a T. S. Eliot poem.

OOPS! ! ! WE ALMOST FORGOT. . . .

Angela Mashke : 'Curless, Curless, Curless! ' Her ambition in life is to be the manufacturer of "Wrigley's Gum! " Her alternative: Interior Design.

Mary Russell : Mary has tried unsuccessfully to maintain a certain level of sanity. However Central got the best of her in the end. Good Luck Russ!

Ron Thompson : Ron is planning on pursuing a career in engineering in the fall, hopefully at Carleton University.

Edmund Thomas : After Cadets, Drama, Writing, Parliament, At Central Edmund, not to be confused (ever) with Laurence Olivier, is heading for York. He hopes to establish ananetry and become filthy rich.

Becky Walker : Becky has excelled in various activities such as going up town for a coffee. Next year, all "sBruced" up, she will enter nursing at Fanshaw.

The First Canadian Bank

BANK of MONTREAL

Money should do something. It should open up your life.

That doesn't mean you must go out and get a whole lot of money. It simply means that somebody who knows how to make his money work is going to find a lot more opportunities in life than somebody who doesn't. The Bank of Montreal is in the money business. We can show you how to make it work.

All you have to do is come in to any branch of the Bank of Montreal. Ask what a savings account or a chequing account can do for you. Ask any questions you have about money. We want your life to be filled with opportunities. We want you to get your money's worth.

Linda

Don't do anything that could ruin
your health. I know it will be
tough to do but I'd like to see you
in Science next year.

Your friend

Linda: You have been a great
friend to me. I hope you make
the most of your life. Have fun,
but remember to always be safe.
I'll always be here for you.

Linda: This is all the answers
for today's test. If you have
any questions, feel free to ask.
Good luck on the test!

Linda^o of old,
In days of yore
When nights weren't
When frenchie's invented
And frenchie's tied their
The guys socks around their
And babies were born
And hood luck Annette Moore

Linda!
Have a good
summer!
and don't
fall no more.
Good luck!
